## The Buyer Code

### The Best “Make Money Online” Course Ever?

This is as REAL as it gets...

The [Buyer Code](#) is different.

Be sure to *read all of this brief report* because we are going to **PROVE** in this document how easy it is when you follow the simple steps covered in The Buyer Code Members Area.

The Buyer Code is the brain child of Craig Kaye, Rob Walker and Dave B. Each one of these guys has a proven track record in earning a substantial living online. For the last year they have been working together on various projects helping other people start to make money online.

**The Buyer Code takes “online income for the beginner” TO THE NEXT LEVEL.**

They have combined their extensive skills, Craig Kaye, marketing genius, Rob Walker, natural ability to teach and Dave B, technical wizard.

So what exactly makes The Buyer Code leaps and bounds above the rest?
